

How to Purchase as a COMPANY

How to Purchase?

European Companies: If you do not want to order through the website and if you would like to get prices without VAT, we invite you to **send us by mail the product list you need + your VAT number.** We will then send you a proforma invoice within 24h.

World Companies: If you do not want to order through the website, Contact us directly to receive a proforma invoice with prices free of taxes

How to make a rapid order: We invite you to order directly on the website: This is the fastest and easiest way to order. For all orders placed before 3pm, products are shipped the same day.

Payment

We accept the following payment modes:

PayPal, Credit Card, Bank transfer, Western Union. Payment 100% in advance.

Pricing and Discount

Prices shown on our website are **in EUROS** and including VAT tax (19,6%).

Depending on order volumes and types of products, we may offer attractive discounts.

Shipping

We ship products daily **to numerous world destinations.**

The average shipping fee is 16 euros (it is calculated automatically on the website)

As soon as the payment is received, we ship the goods (<30kg) with our international express forwarder **Chronopost** (shipping by air, with tracking number and insurance)
